

EVA / A NEW COUNTRY, A NEW ME

Where is the adult button?

Eighteen. One suitcase. A thousand questions.

EVA / A NEW COUNTRY, A NEW ME

My life in one suitcase

Some things fit. Some things stay with you.

EVA / A NEW COUNTRY, A NEW ME

The picture in my head

My expectations had excellent lighting.

EVA / A NEW COUNTRY, A NEW ME

My first real mission

Find the door. Find the keys. Find dinner.

EVA / A NEW COUNTRY, A NEW ME

A very quiet room

A new room takes time to feel like home.

EVA / A NEW COUNTRY, A NEW ME

Dinner does not make itself

Independence comes with washing-up.

EVA / A NEW COUNTRY, A NEW ME

My map had other plans

Getting lost is a place to start.

EVA / A NEW COUNTRY, A NEW ME

The words disappeared

Knowing a phrase is only the beginning.

EVA / A NEW COUNTRY, A NEW ME

One small question

“Excuse me. Could you help me?”

EVA / A NEW COUNTRY, A NEW ME

The first classroom

New faces. New accents. A new beginning.

EVA / A NEW COUNTRY, A NEW ME

Is this seat free?

Friendship can start with five words.

EVA / A NEW COUNTRY, A NEW ME

Different places, similar feelings

I was not the only beginner.

EVA / A NEW COUNTRY, A NEW ME

The price of small things

A little here. A little there. A real budget.

EVA / A NEW COUNTRY, A NEW ME

Freedom needs a calendar

My time had become my responsibility.

EVA / A NEW COUNTRY, A NEW ME

A difficult evening

Some days are heavier than others.

EVA / A NEW COUNTRY, A NEW ME

Calling home

Support can travel across borders.

EVA / A NEW COUNTRY, A NEW ME

One thing at a time

Make the next step small enough to take.

EVA / A NEW COUNTRY, A NEW ME

My first small victory

One day, I stopped checking the map.

EVA / A NEW COUNTRY, A NEW ME

Now I can help

Yesterday’s beginner can be today’s guide.

EVA / A NEW COUNTRY, A NEW ME

Still learning. Already growing.

A new country. A little more courage. A new me.
